The Legend of S' Mores

We remember with nostalgia our childhood, campfires and endless summers in which S' Mores were the main event.

The ritual of building the fire, finding just the right stick to roast the marshmallow, dividing the chocolate and passing out the graham crackers in anticipation of that first mouthful. Each crunchy, luscious bite oozing with warm melted chocolate atop a delicious golden brown puff.

Memories, memories, want S' More ?

Inside Baking Instructions:

Preheat oven 350 ° . Break crackers and chocolate in half. Place half (10) the crackers on cookie sheet.

Top each with a marshmallow and bake on upper rack until puffy and slightly golden, 2-3 minutes (ovens vary).

Remove from oven.

Top with chocolate and remaining cracker.

Squish and enjoy!
